

# @eploy marketplace

Get listed in the Eploy Marketplace and promote your Eploy integrations and services to thousands of in-house recruitment professionals.

At Eploy we are proud of the many partners and integrations that help our customers to recruit faster and smarter. The Eploy Marketplace will help our rapidly growing customer base find the right solutions and expertise to meet their hiring challenges.

We are inviting all existing partners, including technical integration partners and employer branding agencies to join the marketplace for its launch in Q3 2019.

There are no costs involved in joining the marketplace, it's a place for you to share your success and experience and generate new business opportunities.

**If you have any questions regarding the Eploy Marketplace please contact:**

## Eploy Marketplace FAQ

[What will we get as an Eploy Marketplace Partner?](#)

You'll get a marketplace profile page on the Eploy website. Your profile can include rich text, links and images/screenshots.

[How can Eploy customers request information on our products/services?](#)

All approved partners will have a 'request information' form available on the Marketplace page, Eploy customers & prospects can register their interest in your products/services, and we will send you notifications automatically.

[What content can we include on our Marketplace partner page?](#)

We've categorised the marketplace, and you can appear under all relevant categories, please note that to qualify for inclusion on the marketplace you will need to have at least one Eploy customer currently using your product/service within your selected categories. Eploy reserves the right to remove any content that it feels does not meet our standards.

Customers can navigate the Marketplace, filtering by category, and then view further information on each partner.

### How do we join?

Simply head to <https://eploy.co.uk/joining> and complete the Partner Joining form, in preparation here's what you will need to supply:

### When will the Marketplace be launched?

We are aiming to launch the Marketplace in Q32019.

## About Eploy

Eploy is the complete cloud-based recruitment platform for modern in-house recruitment teams. Eploy combines Applicant Tracking, Recruitment CRM, Talent Pools and Analytics into a unified web-based platform integrated seamlessly with your website to provide an excellent candidate experience.

Finding and recruiting candidates who are the perfect fit for your roles is always challenging. Fortunately Eploy's world-class recruitment software makes it much easier.

We've been helping leading companies move to the cloud and recruit faster and smarter since 1998.

Eploy is precision-engineered to work on every platform and add value to every stage of the recruitment journey. Eploy automates and simplifies recruitment processes to help you attract, engage, recruit and onboard candidates quickly. As Eploy is also your full talent engagement platform you can manage your relationships with candidates, departments and hiring managers better. With a high degree of measurability, you can track and analyse your recruitment performance, quality, costs and timescales accurately.

Our cloud-based recruitment platform is reinforced with market-leading mentoring and cross-sector expertise so you get the training and support you need to achieve a powerful commercial advantage.
